Administrative Secretary  
Heather Parsons  
Ext# 10

**Early Intervention** – Certified through the Ohio Department of Health and the Ohio Department of MRDD, Early Intervention Specialist provide service coordination and specialized instruction one on one or in small groups to children birth through age two who have developmental delays and/or a qualifying medical condition. Progress updates are completed two to four times a year to help parents stay abreast of their child's developmental progress. Recently trained P.L.A.Y. Project staff is currently working toward certification that will allow them to provide specialized instruction to children identified with Autism and their families.
