

# Help Me Grow

**Help Me Grow** – Home visits, referrals to community resources, developmental screenings and the development of an Individualized Family Service Plan are services provided by Help Me Grow Service Coordinators who are trained and credentialed by the Ohio Department of Health. Service Coordinators recently certified in the nationally known parenting curriculum, Parents As Teachers can also help parents learn how to use play to guide their children through development as they prepare them for school in the future. Families can also participate in playgroups, literacy groups, transition to preschool groups and Family Fun Nights.
